On Tuesday, art and photography enthusiasts will have the chance to meet the photographer Roland Michaud, who will be at the Dubai International Writers' Centre (DIWC) to speak about his life's work and journey and will be available to sign his latest book *Enchanted Lands*, which was written with his wife and artistic partner Sabrina. This event is organised by Alliance Francaise Dubai in advance of the opening of the Michauds' exhibition *Mirror of the Orient* at The Empty Quarter gallery on Wednesday. The exhibition is a collection of their works from their book *The Orient in a Mirror*, which reflects the beauty of Islamic culture and is intended to be a conversation between art and life, past and present.
