Canvas prints: The most accurate option to represent an oil painting. Order canvas rolled, classic stretched (requires framing), gallery wrapped (arrives ready to hang without a frame) or as a framed canvas print in one of our exquisite mouldings.

Paper prints: Heavy, bright white, matte paper with a slight "cold pressed" texture. Order as a framed paper print and it arrives ready to hang!

Poster prints: Satin finish paper for informal applications such as classrooms or dorms. Not recommended for framing.

Note cards: Digitally offset printed on folded bright white, 5 x 7 inch smooth and heavy paper. Accompanied by white envelopes.

Digital Download: Low or high resolution digital file emailed directly to you via FTP link within 24 hours.
