Excellent seller. Great communication. Item exactly as described and well-packaged (international delivery [Japan to UK]).

There was a delay in shipping, likely seasonal. I would just say if its going to take more than a week to respond to a purchase send your customer a notification when you will be back in your shop. Otherwise, everything was great. Once shipped I got the item quickly. Item was as described. Seller looks after items; both my purchases came in plastic protective containers which adds value, and I really wish was more commonly practiced. Cool book.

PERFECT! Amazing experience, excellent seller. Superfast shipping. The items were very carefully packed (protective case, etc.) and arrived in mint condition, as described. A professional, friendly seller, with attention to detail... I recommend 100%. Thank you!
