

Ova knjiga je veliki doprinos prezentiranju sokolarstva kao kulturne baštine.

Respektiram veliki trud u sakupljanju bogatog materijala koji opisuje tradiciju sokolarstva i odnosa prema pticama grabljivicama.

Nadam se da će biti na pomoć budućim sokolarima, ali i priznanju hrvatskog sokolarstva od strane UNESCO-a kao nematerijalne kulturne baštine kako ga priznaje i Ministarstvo kulture republike Hrvatske.

This book significantly contributes to the efforts to present falconry as cultural heritage.

I have a great respect for the hard work put into collecting such a varied material reflecting the falconry tradition and the relationship between man and birds of prey.

I hope the future falconers use this book as an aid to their passion and that it contributes to UNESCO's recognition of Croatian falconry as intangible cultural heritage, as it was recognized by the Ministry of Culture of the Republic of Croatia.
